Spring 2019 Selections

where membership matters

Quality selection of new-release children's and young adult books

The JLG editorial team reviews more than 3,000 new titles each year, in manuscript or pre-publication stages, submitted to us by the publishers. We choose only the best of the best. In fact, 95% of JLG selections go on to receive additional awards or starred and favorable reviews. Learn Why JLG is preferred by over 23,000 libraries nationwide.

The best books shipped to you every month

You'll have new materials every single month, all year long. Even at the end of the year when your budget money is spent, you'll still have the best new books coming to your library.

Huge savings on newly released books plus insider deals

As a member, you can also buy other current JLG selections for the same member price. The JLG backlist allows you to purchase previous JLG selections at members-only pricing, some as low as \$8. Plus, you'll be privy to special virtual warehouse sales, monthly books deals and other great insider savings. And, shipping is always free.

Free Standard MARC records, standard and placeholder

We offer standard MARC records for download on our Web site at no charge. For those with additional requirements, fully customized MARC records are available for a modest charge. We also offer free placeholder MARC records. These are basic (skeleton) records you can load into your system to prevent duplicate orders. Learn more

Access to exclusive JLG thought leadership content

From book reviews, newsletters, and blogs to webcasts with our authors, illustrators and partners, full-color posters and special discounts, you will receive new and unique members-only content and offers all year round.

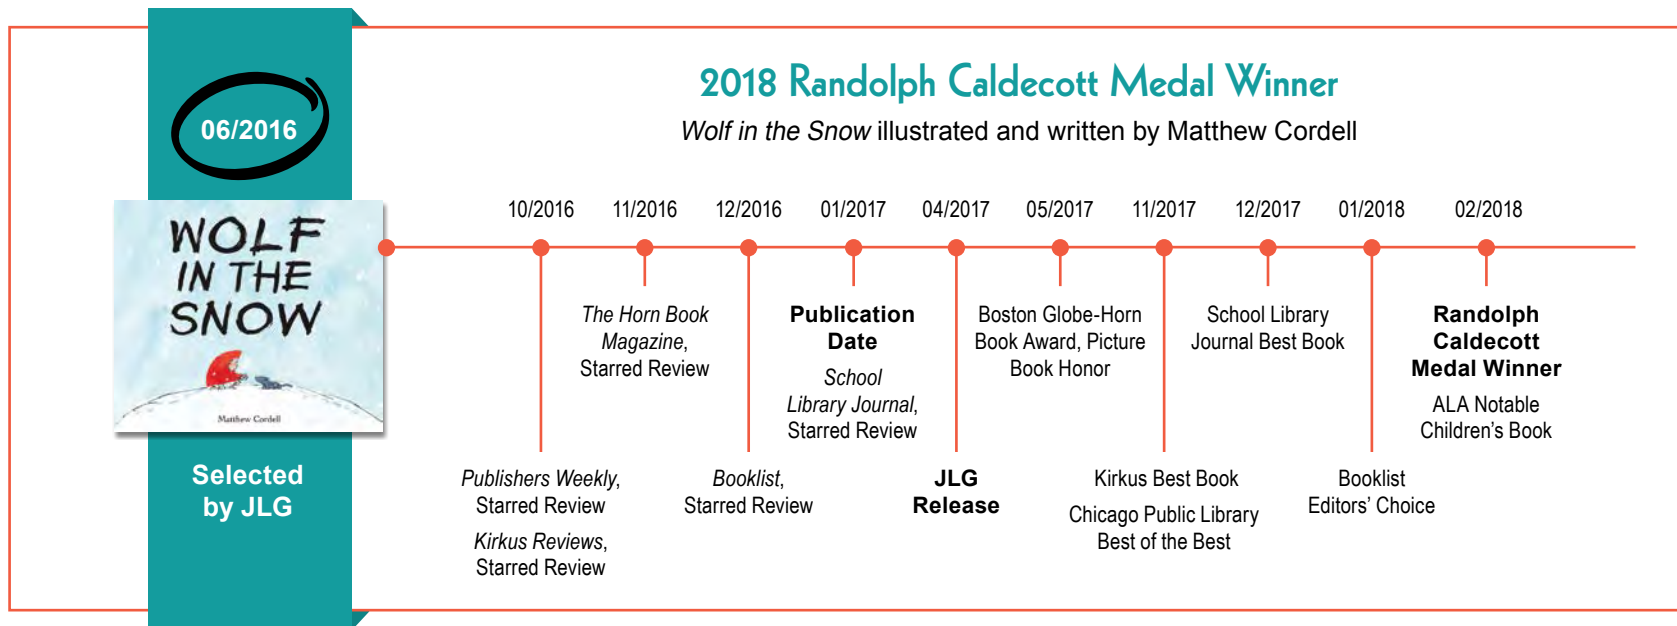

Discounts on SLJ, LJ, and The Horn Book Magazine

As a member of JLG you will get special discount pricing on our sister company publications: *School Library Journal*, *Library Journal*, *The Horn Book Magazine* and *The Horn Book Guide*.

Trust our rigorous review process

JLG reviews, chooses, and purchases books prepublication. Meaning, we're filling your subscription boxes with the best books long before the award committees vote.

“It's been helpful getting new title [and] book selection help. And, the books have been fabulous...my students have enjoyed all of them!”

—Trill, Elementary School Librarian

A young girl with dark hair in pigtails and large, light-colored glasses is sitting barefoot on a tall stack of books. She is holding an open book in her lap and looking upwards with a thoughtful expression. She is wearing a white long-sleeved shirt and light-colored pants.
